General Policy Statement:

In accordance with Federal Regulation CC, we need to inform you of our policy regarding your rights to draw funds against deposits you have made to any account at our institution. The Credit Union offers same day or next day availability for some funds deposited with the Credit Union. This policy provides information to allow you to determine when funds you deposit or receive at 1199 SEIU Federal Credit Union are available to be withdrawn or clear checks.

This Policy is applicable to your account(s) (savings and checking) with us unless you receive notice that a different policy applies. Most deposits require some period of time to “clear” because it takes us time to determine whether the deposited items will be paid. The time it takes varies with the kind of deposit involved. Therefore, it is necessary to delay the availability of funds while collection is in progress. During the delay, the funds will not be available for withdrawal nor to pay checks that you have written.
