We would like to thank all of our members for their patience this year as we underwent an ill-timed inconvenience pertaining to our branch. Please be aware that we have released services that makes your banking experience easy and seamless. Shared Branching, NetBranch (Online Banking), ACH Origination, AccountCreate and our Mobile App allows you to have access to your funds from anywhere.

We are looking forward to 2018 and the many ways we can assist you with your banking needs.

Direct Deposit And Your Tax Refund: What A Pair!

Your federal and state income tax refunds can be deposited directly into your Savings or Checking Account at the credit union.

This process is:

Quick: Directly deposited tax refunds come weeks before checks in the mail.
Easy: Just check the Savings or Checking Account box, enter your credit union member number (not the last four digits of your social security number) and enter our routing number 226077862.
Convenient: You don’t have to go to the credit union to make a deposit.
Safe: Your check won’t get lost or stolen in the mail.

If your tax return is a joint return, your refund must be deposited into a joint account. Direct deposit must go through the ACH process since we do not support wire transactions.

Mobile Banking To Serve Your Needs!

As you know, the 1199 SEIU Federal Credit Union released our Mobility App to better manage your account. With the app, you can check your balances and loans, transfer funds from one account to another, locate any surcharge free ATM within your location, etc.

If you are signed up for Online Banking, you may visit the App Store (iOS) or Google Play Store (Android). Speak to a Member Service Representative for more information on Online Banking and the new features we constantly release for your ease of banking.

Happy New Year!

The staff, management and Board of Directors at 1199 SEIU Federal Credit Union hope you and your family have a safe and healthy new year!
As time goes on, technological advancements and security measures and prevention becomes prevalent in our daily lives. The 1199 SEIU Credit Union continues to follow those trends and present our members with the latest and secure improvements. 2017 will see the following implementations to the credit union:

**EMV:**
Your 1199 Federal Credit Union debit card will soon come equipped with computer chips and the technology used to authenticate chip-card transactions for added security.
