About 1 in 8 U.S. women (about 12%) will develop invasive breast cancer over the course of her lifetime. As we promoted Breast Cancer Awareness Month in October, the 1199 SEIU Federal Credit Union took the reins and wanted to do something more than just alert the public about this terrible disease. We wanted women to have the means to get tested. To do this, we partnered with the American Italian Cancer Foundation to have a full length medical mammogram bus come to the credit union building and perform free screenings to all eligible women by trained medical staff. Though many women are uninsured and therefore feel that they cannot receive this mammogram, this service was open to both insured and uninsured, thus presenting this very important screening to all.

36 women, both with appointments and walk-ins, attended our event and thanked us for holding this service to women who may not have had the time to get this necessary service done. We are proud to give back to our community and are happy to spread awareness to everyone within our reach to offer such services and alert women everywhere to get tested regularly with their doctor.
Get Your Tax Refund Faster With Direct Deposit

This process is:

Quick: Directly deposited tax refunds come weeks before checks in the mail.

Easy: Just check the Savings or Checking Account box, enter your credit union member number (not the last four digits of your social security number) and enter our routing number 226077862.

Convenient: You don’t have to go to the credit union to make a deposit.

Safe: Your check won’t get lost or stolen in the mail.

If your tax return is a joint return, your refund must be deposited into a joint account. Direct deposit must go through the ACH process since we do not support wire transactions.

Family Helping Family

Immediate family members such as a spouse or children are eligible for credit union membership. To become a sponsored member, they must bring in 2 valid ID’s and must reside at the same address.

Why Wait In Line?

If coming to our branch is how you've always banked with us, consider going online. Aside from being safe and secure, its easy and convenient. By going to our website at www.1199federalcu.org and logging into your account using your member number and password, you can access your account(s) as you would if you were at a physical branch.

Having a checking account allows you to use your debit card to withdraw funds from any ATM.

Still want that personal touch but our branch is too far? Access your account through one of our many Shared Branches. Find your nearest location using our app or our website.

Caring for Those Who Care for Others

HAPPY 2020!
